

CRAFTING ALUMINUM PIZZA PANS SINCE 1988

- Robust production capabilities
- Quick delivery across the USA
  - Customizable options
  - Low Minimum Quantity
- Canadian-based manufacturer

# MADE TOUGHER, LASTS LONGER:

Canadian quality in every pan

Our aluminum pizza pans  
surpass imports with  
**superior alloy.**

## LONGEVITY

Lasts longer, reducing  
replacements and costs.

## DURABILITY

Strong alloys resist bending,  
warping, and denting.

### WEAR RESISTANCE

Withstands heavy use without damage.

### HEAT DISTRIBUTION

Ensures even cooking and browning.

### CORROSION RESISTANCE

Maintains condition despite acidic ingredients.

## RIGID ALUMINUM PIZZA PAN ASSIETTE À PIZZA EN ALUMINIUM DUR

Made of professional quality hard aluminum  
*Fait en aluminium rigide de qualité professionnelle*

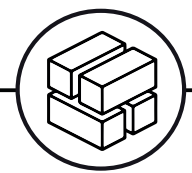

100% commercial  
grade aluminum

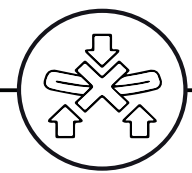

Rust Free

Food Grade  
& Non Toxic

Solid  
Construction

No Bend  
No Tarp

Easy to  
clean

Use for a wide range of culinary dishes: pizza, nachos,  
chicken wings. / Utilisation pour une large gamme de plats  
culinaires : pizza, nachos, ailes de poulet.
